

The Creation of Options in Minutes

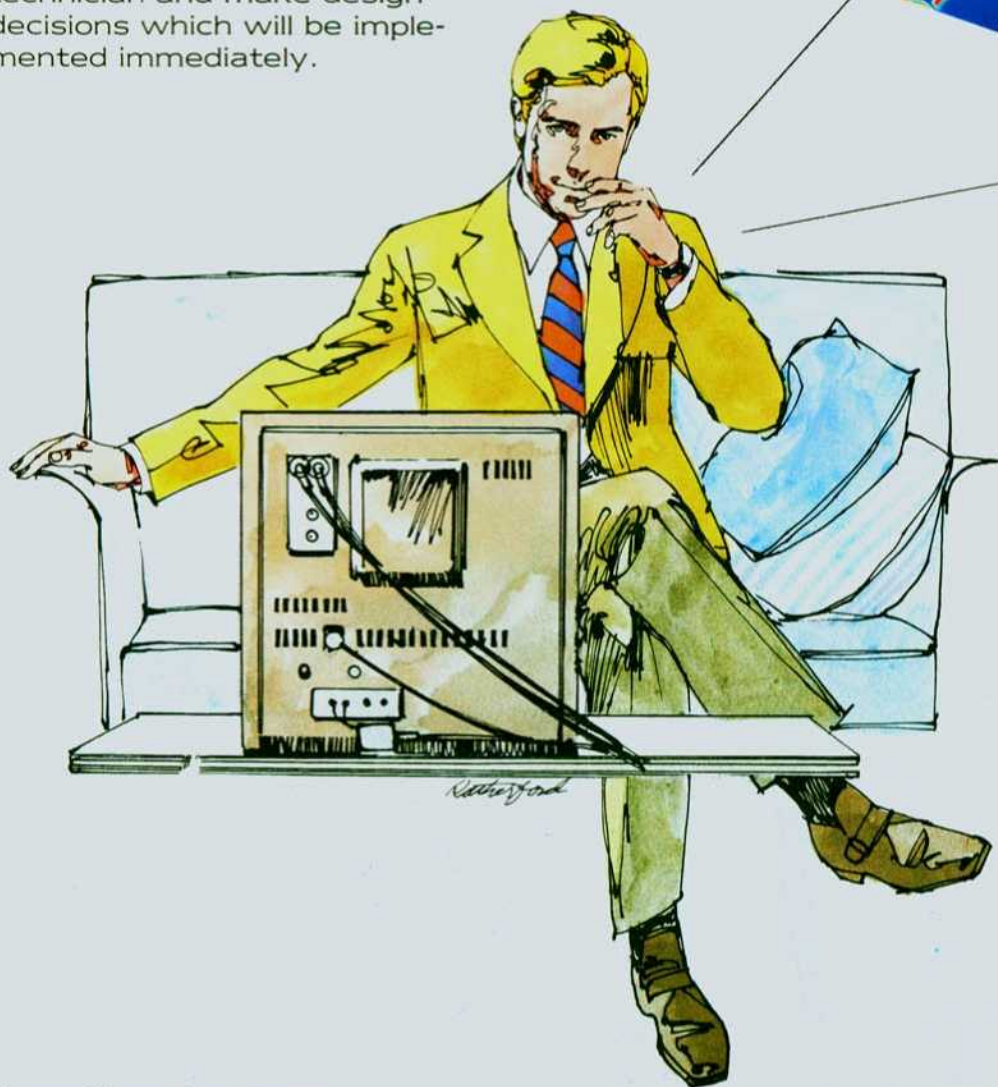

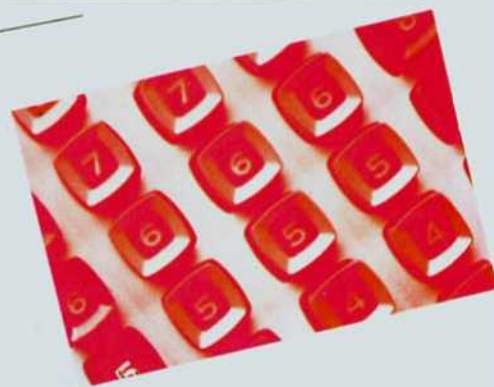

will direct the creation of powerful
creative advertisements; unusual title,
films and television commercials.

You — or your art director —
will sit comfortably in front of a
color video monitor and view
literally hundreds of design
options each hour.

You will direct a skilled artist/
technician and make design
decisions which will be imple-
mented immediately.

OUTPUT

The most effective images and
sequences will be captured on
slides, 16mm film or videotape.

You will receive most
METACOLOR artwork within
24 hours.

Your costs will be based on
reasonable hourly rates.
