### GENERAL INFORMATION

The Savoy Players founded by Carl M. Sebok, is a professional organization devoted to the presentation of the musical works of Gilbert and Sullivan and other operas. The society affords singers and stagecrafters opportunities for high level performance, its current membership comprising both accomplished and maturing artists and musicians. The company is available for command performance under private sponsorship.

The Savoy Players gratefully acknowledges the continuing support of its donors and encourages new membership among its patrons. Kindly direct all inquiries to the Business Manager.
