

Subcontract

Herby agreed that if there is any monetary income resulting from the sale or royalties of the final videotape, that money, after being split 50/50 w/ Ultraviolet will then be equally divided among Woody & Steing Varulka, Joel, Davidson, & Dimitri, each 1/5 portion, unless there is further shooting & post production work which will change the percentages but not the basic equal proportions among workers, ~~regardless~~ regardless of role.
